

### general information

Poole is well connected by road, rail and bus – please use public transport or travel on foot where possible. As the event will involve some temporary road closures, motorists may experience some delays – please be patient. Staff will be on hand to advise drivers of alternative routes where possible.

Motorists approaching the town centre on the A350 should follow the brown signs for Poole town centre and then pick up the brown tourism signs to Poole Quay, where there are several car parks. Please note that it will only be possible to enter the car parks at Poole Quay until 7.45 pm. After 7.45pm, signage and stewards will be able to direct drivers to alternative car parking facilities.

### parking

The following car parks all have easy access to Poole Quay:

- Quay Visitors car park
  - Prosperous Street
  - New Orchard
  - Harbourside Park 1
  - Harbourside Park 2
-
