General Info

- A Map Guide will be available online and at the event.
- What to bring – All events are outdoors, so please dress appropriately for the changing weather and time of day and bring a water bottle. This event is not seated and audiences will move around, so suitable footwear is essential. A torch may also be useful.

Grading Key

The following coding system has been used where possible, detailed descriptions on each site are also included. The information included in this guide is to help audience members decide which routes they want to take as they move around the village and the festival sites. If you have any questions please do not hesitate to ask a member of Activate at the festival information points or contact Jen Walke, Festival Producer on 07970 915970 or 01305 260954

GREEN: Gentle to moderate gradients with reasonably level surfaces. Path surfaces include tarmac, short grass and firm compacted gravel. No narrow gaps, steps or other access restrictions. Suitable for some wheelchair users and mobility scooters but assistance may be required on some slopes and surfaces.
